

R U a Christian Car Nut?

Breaking new ground

oilyblog.co.uk gives you the opportunity to have your say. Bringing like-minded guys together through a specific website where interests can be shared, ideas can be voiced and events can be organised.

Dispelling the idea that Christian men hug trees, drive 2 CV's and wear socks with their sandals **oilyblog.co.uk** shows that it is okay for Christians to talk about bhp, piston rings, con rods, dump valves, split rims and the cars they come from! Take a look to find out more.
